Regular Spa Pedicure \$25

Removal of existing polish, trim down, nail shaping and cuticle maintenance, 8 minute teaser massage, hot towel cleanse, and choice of regular nail polish.

If you would like to add callus removal to this service it is an additional \$5.

Deluxe Spa Pedicure \$35

Enjoy everything you love from Regular Pedicure

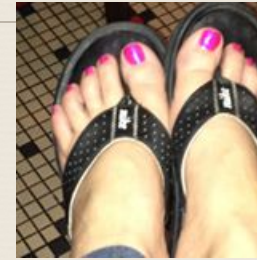

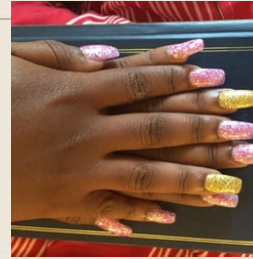

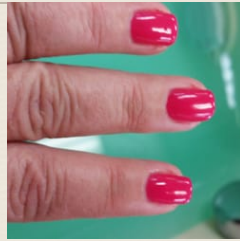

- plus Callus Removal
- plus our Special Cooling Gel
- plus Aloe Vera Foot Mask
this mask is a protein formula that heals and rejuvenates dry skin, leaving feet feeling soft and moisturized.
- plus 15 minutes of stress relieving massage.

Super Deluxe Spa Pedicure \$45

Indulge in everything the Deluxe Spa Pedicure offers

- plus Sugar Scrub
this scrub is an essential step in the treatment of rough, dry skin. The application of sugar scrub smoothes calluses on heels and eliminates build up of dead skin. The natural oils moisturize the feet while regenerating the skin back to a healthy state.
- plus Hot Stone Massage
the water heated stones expand blood vessels to encourage blood flow. They have a sedative effect that can relieve chronic pain, reduce stress, promote deep relaxation, ease muscle stiffness, and increase metabolism.
- plus a refreshing fresh lemon or lime lotion finale
